

Minuteman[®]

Excellence Meets Clean

MPV[®]

Multi-Purpose Vacuum

General Overview

- Maximum performance in a versatile, lightweight, dual motor vacuum
- Available in 14" or 18" cleaning paths
- Low profile design allows the MPV to vacuum flush to the floor
- Large 4.6 liter, top fill, easy to handle collection bag
- Quiet 69db

Productivity

- Vacuums up to 4,000 square feet per hour
- On board hose and crevice tool makes detail cleaning easy
- Available in 2 sizes to meet all of your cleaning needs

Ease of Use

- One pass performance
- Built in handle makes it easy to carry
- Minimal handle weight cuts down on operator fatigue

Key Features

- Electronic control informs operator when machine is properly adjusted to carpet height/density or when brush is worn or blocked
- Brush motor will shutoff automatically if brush is obstructed
- Easy to change brush strip
- Vacuum hose has a patented, interlocking seal for increased efficiency
- Quick release cord hook

Safety

- Heavy duty 14-3 jacketed power cord
- Automatic protection for brush and vacuum motors
- Hospital grade plugs that meet all health care compliance regulations
- Heavy duty non-conductive strain relief protects operator and power cable
- Wrap-around bumper protects all environmental surroundings

Markets

- Hospitality
- Institutional
- Health care
- Building service contractors
- Airports
- Retail

Accessories/Options

- Re-usable cloth bag
- H.E.P.A. bag
- Dust brush
- 19" extension wand
- Upholstery tool
